Craig Roberts, co-chair of this year's Lights of Life campaign, says he is thrilled to announce we have four businesses that are participating as Sparkle Sponsors.

"We are so thankful for these businesses and their support to make a difference by contributing to this year's campaign," Roberts said of the Sparkle Sponsors donating \$5,000 this year.

Sparkle Sponsors include Advanced Heart Care, Alliance Bank, Carriage House Manor and Rock Creek Health and Rehab.

Help light the tree and keep alive the memory of a loved one

You are invited to help light the tree with your \$25 donations in memory or in honor of someone special.

"We invite everyone to join us for the lighting of the Lights of Life Christmas tree on Thursday, Dec. 3, at 6 pm. The tree lighting will take place in The Gardens at Memorial and the evening will include the "Singing Physicians," music by the Sulphur Springs High School band, Sulphur Springs Middle School Choir, the arrival of Santa Claus, and cookies and hot chocolate.

The campaign is gaining momentum as the committee has been working hard confirming sponsorships, planning the menu with caterer Eddie Deen and finalizing the decorations.

"Tickets are going fast, so if you plan to attend, please call Jackie Thornton at the Foundation office, 903-438-4799 to reserve your spot or to make a donation to light the tree," said Roberts.
