Gossip of the Starlings - By Nina de Gramont

\$22.95. 276 pp. Fiction. Hardback.

One out of five stars

Rich prep school students. Bored. Self-absorbed. Distant parents. Vacation homes. Horse shows. Designer labels. Sex. Alcohol. Drugs. Serious emotional issues. Tragedy.

There. I just saved you from a book where the characters are on a journey to nowhere, and arrive as shallow on the last page as they were on the first.
