Guess what, SATC fans, we are getting a sneak peak at the next movie set to hit the “big” screen again in just six months. Yes, it is all about the outfit! Check out the latest poster.

According to reports Carrie Bradshaw, played by Sarah Jessica Parker, wears a \$525 Halston Heritage dress, gold Mykita & Bernard Wilhelm's Franz Limited-Edition aviator sunglasses and a sparkly necklace by Solange Azagury-Patridge. As expected, she sports a pair of killer heels by Christian Louboutin that cost about \$3,200. Wow.

For a few details: Cougar-claw bearing Samantha (played by Kim Cattrall) is reported to have been seen in a wedding dress while filming in New York City.

And it sounds like all the men are back on board from Smith Jerrod to Steve Brady and Harry Goldenblatt to the never to be underdone, Mr. Big (Chris Noth).

So all you SATC 2 fans mark your calendars...May 28, 2010.
