

Fall is busting out all over and isn't it spectacular. I cannot believe how beautiful all of the colors. God has reminded what fall looks like this year. Hope you take the time to stop and enjoy the colors.

This question came up tonight at exercise "Brashear, is it getting a signal light?" In front of the community center, there is a message board construction ahead signal light. Come on really. If anyone knows, please let me know.

I have not found my dog. Thank you for everyone who has commented on FB and called to let me know if they had seen a dog similar to my description. So someone got a cute little dog with a plaid collar or the other option. I sincerely hope the coyotes did not get him.

The weather sounds like it is going to change: Rain and cool for this weekend. Oh boy, a cold and wet football game on Friday night. Let's show up in force to cheer on our Wildcats against Whitehouse.

West Oak Funeral Home is doing a Christmas Stocking for Soldiers. You go by and pick up an empty stocking with a list of items. You bring back the full stocking and West Oak will ship the stockings to our troops. There is another way you may make someone else's Christmas special. Please take the time to pick up an Silver Angel at the Senior Citizen Center, or a child's name from the VF Mall.

I would like to remind everyone to be careful on the roads with the holidays coming up we tend to get in a hurry. Slow down and save your life as well as others.

News is needed. Remember all you have to do is call me at 903-612-8806; email me at youngdede60@gmail.com; or just drop by and visit us at County Road 1119.
