

Would like to thank everyone for their prayers for Barbara Stewart. Barbara is home and doing better. The good news is that it was not cancer – a blessing for their family.

I forgot to thank FEC last week for getting our power back on so quickly with the ice. We were without power for only a couple of hours. I know that several people were without for a longer period of time. Thanks again for your quick work.

Christmas is fast approaching and I hope you have just about completed all of your projects. We all need to stop and be appreciative of all that we have. Good health, good weather and a whole lot of friends. Take a little time and thank someone today.

I'm short on news so I would like to remind each and everyone of you to call me at 903-612-8806; email me at youngdede60@gmail.com ; or just stop by for a visit on County Road 1119. We would like to get to know some more of our neighbors.
