Even though the calendars say it is still a few days before winter officially begins, I do believe it has arrived in Northeast Texas. Miller Grove School (along with many others in the county) closed Friday because of the ice storm that plagued the area. I know that many areas in our part of Texas were hit hard with the winter weather. Thankfully, all of the roads that I travel were not iced over and it was easy to get to and from work.

Not too much news in the community this week. I think things were impaired from the weather since folks couldn't get out and about as normal. I know that Friday the Miller Grove basketball tournament was postponed because of the weather.

Happy birthday this week to Cletis Millsap and Darrell May on Dec. 9, Joni Burns on Dec. 10, Mike Frobish on Dec. 11, and Eli Cummings and Nina (Sparks) Sallee on Dec. 12.

Happy 14th anniversary to Dusty and Tara (Russell) Spencer on Dec. 11.

As you travel the highways and byways don't forget that all roads lead back home and back to Miller Grove. Please send me any newsworthy information. My email address is brd_2@hotmail.com.
