Well, we're basically half way through January now and I think I'm ready to fast forward to spring time. I'm already tired of the cold weather and ready for the daylight savings time to start.

News in "The Grove" is a little slow again this week. I know that makes for a boring news column but, on the bright side, at least there is no bad new to report; no sickness, no accidents and no deaths in the area.

After church Sunday, I was eating at Pizza Inn and noticed a few Miller Grove faces, but never had a chance to speak to them. I saw Elaine Garmon with her granddaughter, Kelsey Steele, and later noticed Carroll and Pat Ethridge.

Happy birthday this week to Heather Stuckey and Ginger Garrett on Jan. 12, Ashley (Blackstead) Oler and Lane Lennon on Jan. 13, Mary Lou (Woods) Hoover on Jan. 14, Misty Briggs on Jan. 16, and Clark May and Dalyn (Petty) Beck on Jan. 17.

As you travel the highways and byways, don't forget that all roads lead back home and back to Miller Grove. Please send me any newsworthy information. My email address is brd_2@hotmail.com.
