

One day it's spring and the next day it's winter again. Even though Friday is the first official day of spring, I'm sure we will still have a few cool spells before summer hits in full force.

News in the community is much slower this week than it has been the past few weeks. Since basketball season is over and since there won't be a baseball team this year, there isn't much excitement at the school right now. The FFA students have been traveling back and forth to the Houston Livestock Show. Hopefully, each student will do well with their project.

Saturday, I visited with Coy Johnson. We both happened to be at Jackie's store on Highway 19 at the same time and talked for several minutes. His grandson, Matthew, was with him. It was nice to meet him.

Happy birthday to Fran Sparks, Joe Weatherly and Jenny (Weatherly) Arledge on March 18; Krystal Petty on March 20; Jim Perry Burns on March 21; and Scott Baylus, Danna (Hasten) Darty and Ann Moseley on March 22.

Happy anniversary to my parents, Brett and Lynda Darrow, on March 18. They celebrated 36 years of marriage.

As you travel the highways and byways don't forget that all roads lead back home and back to Miller Grove. Please send me any newsworthy information. My email address is brd_2@hotmail.com.
