

No home delivery on Monday

Written by Administrator
Monday, 03 March 2014 14:00

Due to the danger of navigating the icy streets and highways of Hopkins County, *News-Telegram* carriers will not be delivering the paper on Monday.

To allow readers to view the paper, subscribers can receive the paper online through the *News-Telegram's* e-delivery service. Go to the newspaper's website, mySSnews.com, and at the top right corner of the homepage, you will see a place to sign in for e-delivery. Type in "newspaper" for the username and "snow" for the password (do not use quotation marks). This will get you to the e-delivery page, where you can see each page of today's paper.

Monday's newspaper will be delivered on Tuesday, along with the Tuesday edition.
