The first 7-on-7 action for the Sulphur Springs High School teams will be played today at home against Gilmer at 5 p.m.

The eighth grade, junior varsity and varsity will be in competition in the multi-purpose building.

Today the teams will face the challenge of Gilmer squads.

“They (Gilmer) are a great program that has high expectations next season. They are very talented and will allow us the opportunity to work against a high level of competition,” said Matt Young, Sulphur Springs coach. “They are well-coached and talented, forcing us to do the little things right.”

Sulphur Springs will play May 20 (seventh, eighth, JV, V) at Paris.
