Cumby Elementary Honor Society members present a \$250 donation for SAFE-T to Mary Ferguson, SAFE-T Sulphur Springs Outreach supervisor. Students raised money by paying \$1 daily during role model week to dress as in the noted role model theme. Monday was Athlete Day, Tuesday Book Character, Wednesday Historical Figure, Thursday Career Day and Friday Cumby Trojan Day. The students "adopted" Safe-T from a list of programs because they were local and they helped families. One student told CEHS Advisor Dene Andrus, "If your family falls apart, it seems like there is nothing left in the world because those are the people you love the most. Even if they do hurt you," upon SAFE-T's selection. Submitted photo
