Ready for a Show

Hopkins County Sheriff's Sgt. Brad Cummings, who has served as the county's D.A.R.E officer for the last few years, performs at the 2nd Annual Hopkins County Music and Comedy Revue Friday evening at Hopkins County Regional Civic Center. The event benefits the Hopkins County D.A.R.E. program, which focuses on the health effects and danger surrounding drug and alcohol use, bullying and peer pressure; benefits of effective listening and communication skills; and how consequences can be both positive and negative.
