Hundreds of athletes race through the streets of Sulphur Springs Saturday morning for the Paint the Town 5 and 10 kilometer run to benefit the Sulphur Springs Work Camp organization. SSWC's focus is to paint and restore homes in Sulphur Springs for the elderly, disabled, widowed, single moms and those in financial need without any cost to the homeowner. Since its founding in 2007, the SSWC has completed 122 work projects. Staff Photo by Jon Lance
