Kindergarten teachers Mary Surber (left) and Lori Johnson collect their welcome back packets and school rosters for the 2014-2015 school year at Early Childhood Learning Center Thursday. School officially begins Monday, Aug. 25, for all rural schools in Hopkins County and Yantis. Classes at Sulphur Springs Independent School District begin Tuesday morning, Aug. 26. Be sure to check with the child's campus for school hours, as some campuses and districts have new hours. Staff Photo Jon Lance
