With school starting next week, the City of Sulphur Springs is planning an end of summer bash for kids on the downtown plaza Friday evening.

City spokesman Gus Gustafson said there will be a lot of things for kids to do as they wind down from the summer and get ready to hit the books in the new school year.

"We are going to have bounce houses, water slides, cotton candy and hot dogs," Gustafson said. "Sweet and Salty is giving away free popcorn for the kids and we are going to show a movie to just finish out the summer."

The featured movie will be "Frozen," the computer-animated musical fantasy-comedy film produced by Walt Disney Animation Studios.

"Terrific Creations will also be there doing balloon animals for the kids," Gustafson said. "It will be just kind of a fun night. We will just try to have different kinds of activities for them."

Saturday will be back to business as usual on Celebration Plaza with the Sunrise Market at 8 a.m. and Celebration Market from 6 p.m. until 10 p.m.
