Lights of Life Campaign and Gala chair Brian and Leesa Toliver (second row center) announce that this year's gala has sold out once again. The theme for the January 2015 event is "The Great Gatsby," which all ticket holders are encouraged to dress up for the occasion. The committee has raised \$175,000 in sponsorships out of the \$250,000 goal. The funds will be used to purchase three additional telemedicine machines, flex coils for a MRI machine and a new vehicle for EMS at Hopkins County Memorial Hospital. Any extra funds will be given to the hospital legacy endowment fund.
