General Rules

While debating and discussion is fine, we will not tolerate rudeness, insulting posts, personal attacks or purposeless inflammatory posts. Our decision is final in these matters.

Please refrain from posting meaningless threads, one word (or short) non-sense posts, or the such.

Multiple or repeated posting in order to increase your post count is not allowed.

Advertising, spamming and trolling is not allowed. This includes using the forum, email, visitor messages, blog comments, picture comments and private message systems to spam other members.

Please wait a reasonable amount of time before bumping posts. For style changes and general 'how-to' questions this should be 24 hours. For specific troubleshooting issues, use 12 hours as a guideline.

We also do not allow posts or links to sites that are sexual in nature or violate community standards. The mySSnews.com team shall be the sole arbitrator of what does and what does not violate community standards.

Discussion of illegal activities such as software and music piracy and other intellectual property violations are not allowed.

Each member is allowed one login account. Registering with multiple accounts is not allowed.

While we are quite happy to have constructive comparative conversations about competitor's products, we will not tolerate blatant adverts or the sort of 'ooh look, yet another bulletin board'
